*Quote to Ponder*

“Christian unity was Christ's dearest desire. He expressed it in his last testament as he walked toward his tragic destiny: the Cross. He prayed in his priestly prayer ‘that they may all be one; even as you, Father, are in me, and I in you, that they also may be in us, so that the world may believe that you have sent me.’ (John 17:21)” - Cardinal Nasrallah Pierre Sfeir (Cardinal's Symposium - October 2003)
